### d) Experience as a Mediator

- **First Mediation:** Helped parties settle a multi-party case in 1983, a \$50+ million environmental dispute over responsibility for pollution of groundwater between eight multinational oil companies and local community represented by state attorney general.

- **Unique mediation perspective** gained with experience from all sides - as a mediator, as counsel and as a party in mediations. Mediate large complex commercial cases often with value over U.S.\$ 1 million, bilingually in Portuguese and Spanish as well as English, some also with Russian parties and documents, yielding high percentage of settlements.

- **Arranged and acted as counsel for the Brazilian side in first international commercial mediation using videoconferencing in an ICDR case resolved successfully between Brazilian and U.S. multinational parties. Current experience conducting mediations via Zoom.**

- **Arbitrations and mediations in these sectors:** Aerospace & aviation, oil & gas, energy, environmental, shipping/maritime, project finance, medical technology, financial markets & investments, mergers & acquisitions, joint ventures, reinsurance, construction, product sales, marketing, representation, distribution and import-export (steel, wood, agricultural products, personal care, etc.), telecommunications, information technology, internet, IT networks, intellectual property, e-commerce, outsourcing, executive compensation, travel, sports. Mediated resolution to multi-party ICC electrical energy sector arbitration with parties from Europe, Central America and the U.S.

- **Parties from** Argentina, Australia, Brazil (several cases), Canada, China, Costa Rica, Denmark, France, Germany, Honduras, India, Japan, Malaysia, Nicaragua, Norway, Panama, Russian Federation, South Korea, Spain, Sweden, Switzerland, Ukraine, United Kingdom, United States, Venezuela.

- Institutional lists and affiliations:
