

## **SERDAR BEZEN – BIOGRAPHY**

### **Practice Description**

Serdar Bezen is a founding partner of Bezen & Partners. Mr. Bezen heads the disputes practice of the firm and is involved in domestic and cross-border litigation and arbitration cases. He advises domestic and international clients on a wide range of Turkish law matters, with a particular focus on corporate, commercial, mergers & acquisitions and insurance.

He is the author of several articles on the Turkish International Arbitration Law (Law No. 4686) and the UNCITRAL Model Law and is listed as an arbitrator at the LCIA and Shanghai International Economy and Trade Arbitration Commission.

### **Select Arbitration Cases**

- Advising and assisting a non-Turkish oil and gas company in respect of its dispute in an ICC arbitration, in particular in relation to the legal framework of the Turkish Iraqi oil trading relations (the Crescent Petroleum Arbitration Case)
- Advising and assisting a Turkish energy company in respect of its dispute in an ICC arbitration in relation to an EPC contract with an international contracting company, representing the client during the arbitration as lead counsel and assisting the client in the enforcement of an ICC arbitral award before the Turkish courts
- Advising and assisting a U.S. food company on a post-M&A dispute with a Turkish entity in relation to its dispute in the context of an ICC arbitration and assisting the client as co-counsel during the arbitration proceedings
- Advising and assisting Israeli State entities on an investment dispute with the Israeli subsidiary of a Turkish company in ad hoc arbitration proceedings, interim relief proceedings and assisting the client as co-counsel during the ad hoc arbitral proceedings
- Advising and assisting a Turkish ingredient supplier in its dispute with various international sellers of grain products in respect of Gafta and Fosfa contracts and related arbitration proceedings as lead counsel
- Advising and assisting an international originator and manager of infrastructure projects in relation to its ad hoc arbitration and insurance related queries to obtain MIGA coverage for its equity investments in a pipeline of healthcare PPP projects
- Advising and assisting a foreign leasing entity in respect of its London seated arbitration in relation to Turkish attorney-client privilege rules
- Assisting and assisting a Russian bank in arbitration proceedings under the LCIA rules in relation to a default under a multi-million loan facility and various security agreements
- Advising an English professional footballer in his dispute with his former club and representing such footballer before the arbitral tribunal of the Turkish Football Federation (the Omer Riza Arbitration Case)
- Advising an international insurance company in arbitration proceedings regarding the enforcement of an insurance policy

- Advising and assisting multiple Turkish private clients in relation to ad hoc domestic arbitral proceedings with regards to the calculation and collection of the purchase price for shares previously transferred to a Turkish affiliate of a global catering conglomerate
- Advising an Algerian construction company in relation to its arbitration proceedings against a Turkish construction company
- Advising and assisting a Singaporean renewable and sustainable products company in respect of Turkish law matters relating to its arbitration proceedings against a Turkish counterparty active in the cement industry
